SCHIFFSWERFT & MASCHINENFABRIK

... the future in shipbuilding

- Prompt
- Qualified employees
- Excellent strategic location
- High quality workmanship

... and all this at competitive prices!

### That is the LINDENAU Shipyard in Kiel!

Over 90 years of tradition and shipbuilding experience in an ever changing competitive market – nationally as well as internationally – has made the LINDENAU shipyard known and we are still active in the market. Our LINDENAU Dock II is available to you for any docking, class works or maintenance and repair works needed on your vessels. A highly motivated repair team with all the necessary qualifications is available to you for this purpose. We are available around the clock and we will do our utmost to get your vessel back to sea as soon as possible. We know that time is money and only a ship that is in operation can bring in revenue, thus we react in a flexible and prompt manner to your needs.

Come to us and we will convince you, that even today, tradition has its eligibility in this ever changing market. Not just anyone can provide 90 years of experience in the shipbuilding industry.

Take a look at [www.lindenau-shipyard.de/EN/AboutUs/Capacities.html](http://www.lindenau-shipyard.de/EN/AboutUs/Capacities.html) to find out more about our dock sizes and capacities.

We would be delighted to have you as one of our clients and to start a long term business relationship with you, because shipbuilding made in Kiel-Friedrichsort can be of great value to you, providing you with quality and first class workmanship. We await your call or inquiry and are convinced that we can offer you the best value for your money.

### LINDENAU: better for your business in shipbuilding, ship maintenance and repairs!
